Metodiskie norādījumi skolotājam

Skolotāj!

Katrs izpildīts uzdevums ir jūsu bērna / audzēkņa maza uzvara.

Izpildītu uzdevumu var novērtēt ar jauku attēlu – zīmi darbības lapas augšējā stūrī.

• Ja bērns veiksmīgi, kārtīgi un patstāvīgi ir ticis galā ar uzdevumu – skolotājs izkrāso / apvelk lielāku no attēliem - **malacis!**

• Ja bērnam bija grūtības ar uzdevuma pildīšanu, bija nepieciešama skolotāja palīdzība, jāmācās strādāt kārtīgi – skolotājs iezīmē / izkrāso mazāku no attēliem – **nākamreiz pacenties vairāk!**

Jebkurā gadījumā, pat ja rezultāts nav tik labs, kā gribētos skolotājam, paslavējiet bērnu par darbu!

Lai izdodas!
